Directions: Enter Lowe through the 3000 level floor. Use the entrance near the RPI Walk-Over Bridge. Once inside go to the end of the lobby towards the door that leads to the stairs. Walk up to the 4000 level floor. From there go forward on the hallway, not to the right (you will see a window at the end of the hallway). Turn right at the end of that hallway and the vending machines will be there in a small room next to the men's bathroom.

Disabled Directions: Same beginning but use the elevator located in front of the stairs. When exiting the elevator, turn right towards the window. Turn right at the end of that hallway and the vending machines will be there in a small room next to the men's bathroom.
